

## **NEII and BOMA Representatives to Give Elevator Egress Presentation at 2005 BOMA Conference**

### ***Presenters to Touch on the Past, Present and Future Behind the Use of Elevators for Egress During a Fire***

**When:** Presentation date: Monday, June 27th, 2005, 3:30pm Conference dates: June 25-28, 2005

**Who:** Edward Donoghue, secretary and codes and safety consultant, NEII Larry Perry, architect and codes consultant, BOMA

**What:** BOMA International Annual Conference and Office Building Show

**Where:** Anaheim, CA

**Why:** Edward Donoghue and Larry Perry will present the "Use of Elevators For Egress in a Fire" at the 2005 BOMA Conference. A comprehensive look at the use of elevators in emergency situations, the program will feature the reasoning behind this procedure by evaluating past emergency evacuations, the current progress, as well as its future development. Both presenters' industry experience and knowledge provide an in-depth discourse on the importance of this emergency procedure as an effective and necessary means for future evacuations.
